## HEILBRONN

The story of our house

Our Wirtshaus is located in Neckarturm, the cornerstone was laid in 2000 and was completed after a construction period of 2 years. The Neckarturm is 45 meters high and one of the tallest buildings in Heilbronn. 2003 our Wirtshaus opened. It is one of the first restaurants in Heilbronn which offered its guests modern German gastronomy. To underline, a complete renovation of the entire Wirtshaus was undertaken in 2017. Since that date our Wirtshaus shines in a modern glow.

All levels were completely redesigned and modernized. The new, big bar is the heart of our Wirtshaus and the linchpin for the hustle and bustle around it. An open but separate area – our “Stube” – offers space for celebrations of any kind.

Our large beer garden and terrace area which is located along the quiet Neckar with a view on the bridge “Friedrich-Ebert” invites to linger in summer.

## OUR SPECIALITY

(while stocks last)

**Knusprige ganze Schweinshaxe aus dem Ofen** 21,00  
Crispy pork knuckle fresh from the oven in a dark beer gravy served with two potato dumplings and German coleslaw

**Ofenfrischer Schweinekrustenbraten** 16,90  
Oven fresh roast pork (shoulder cut) in dark beer gravy served with two potato dumplings and German coleslaw

## Schweinekrustenbraten & Schweinshaxe

Lehners favorites – traditional dishes and true classics of a Wirtshaus!

Our pork crust roast, the piece of pork shoulder – only rubbed with salt and pepper – is cooked overnight in the oven at low temperature and thus gently until the meat is soft. To get the crust also nice and crispy, we add heat. This process is called suitable “krusten”.

The pork knuckle – served at Lehners as a whole knuckle – is based on the same principle as the prepared pork crust roast. It even takes a bit longer in the oven and for the “krusten” we take more time to give you a really nice crust.
