WIRTSHAUS

Food & Drinks

Welcome

TO YOUR LEHNERS WIRTSHAUS

Our tavern is a place for getting together, good conversation, and a cozy atmosphere—and a place where we know how to throw a good party now and then—a second living room for young and old alike. We're passionate about regional dishes made with ingredients whose origins we know and that are prepared with love. We're always putting a fresh spin on our dishes. In addition to fresh draft beer, we offer a wide variety of homemade drinks and cocktail creations that have something for everyone.

We wish you a pleasant stay!

CRUSTED ROAST PORK & PORK KNUCKLE

The Lehnern's favorites – traditional dishes and authentic Wirtshaus Classics

For our Crispy Roast Pork, the pork shoulder – rubbed only with salt and pepper – is cooked gently overnight in the oven at a low temperature until the meat is tender. To ensure the crust arrives on the plate nice and crispy, the heat is turned up high at the very end—a process aptly called “crusting.”

The pork knuckle—served whole at Lehnern—is prepared using the same method as the crusted roast pork. It actually needs a little longer in the oven, and we take even more time for the “crusting” to conjure up a truly beautiful crust on your plate.
