RASTATT

The story of our house

The building in which we are located is in the heart of Rastatt and was built in 1938/1939 for the Wehrmacht in the style of the Baroque castle of Rastatt. After the war it was taken over from the French and used as an officers casino until 1998.

During this time it was not accessible to the public.

After that, the building was not used for many years. In 2006/2007 it was completely refurbished and we moved in in August 2007.

The 6.20-meter high ceilings of the historic building and the immediate proximity to the Baroque palace of Rastatt and its castle garden are spreading a unique atmosphere.

OUR SPECIALITY
(while stocks last)

Knusprige ganze Schweinshaxe aus dem Ofen	21.0
Crispy pork knuckle fresh from the oven in a dark beer gravy served with two potato dumplings and German coleslaw	
Ofenfrischer Schweinekrustenbraten	17.5
Oven fresh roast pork (shoulder cut) in dark beer gravy served with two potato dumplings and German coleslaw	

Schweinekrustenbraten & Schweinshaxe

Lehners favorites – traditional dishes and true classics of a Wirtshaus!

Our pork crust roast, the piece of pork shoulder – only rubbed with salt and pepper – is cooked overnight in the oven at low temperature and thus gently until the meat is soft. To get the crust also nice and crispy, we add heat. This process is called suitable „krusten“.

The pork knuckle – served at Lehners as a whole knuckle – is based on the same principle as the prepared pork crust roast. It even takes a bit longer in the oven and for the „krusten“ we take more time to give you a really nice crust.
